

Loft Bar Stool

75 cm / 29.5"

“Being a natural extension of the Loft design, the Loft Bar Stool mixes the complementing opposites of robustness and elegance through materials—wood for the seat and back, metal for the frame—with a soft, industrial appeal. The bar stool has an archetypical look that gives a feeling of familiarity while the subtle details, such as its sturdy back legs, gives it a unique expression. Though having the comfort of a full seat and back, the bar stool comes with a small footprint thanks to its legs being positioned neatly under the seat, making the design a natural fit for all environments while providing maximum comfort to its user.”

— Thomas Bentzen

Designed by	Thomas Bentzen
About the Designer	Thomas Bentzen, former Head of Design at Muuto, started his own studio in 2010. Bentzen’s designs are characterized by simplicity, rationality and functionality — always firmly rooted in the Danish design tradition, material knowledge, craftsmanship and rational industrial manufacturing processes. His work continues to receive international recognition at fairs and exhibitions all over the world.
Environment	Indoor
Country of Production	Latvia
Preassembled	Yes
Description	Loft Bar Stool combines Scandinavian design traditions with industrial references for a bar stool with full seat and back along with a small footprint. As with its chair counterpart, the Loft Bar Stool exemplifies simple, honest design through its clean lines and maximum comfort.
Material	<p>The back and seat are veneer with a beech core and an oak veneer top with water-based lacquer. Stained Dark Brown version with back and seat with water-based lacquer. Upholstered seats with textile, imitation leather, or leather. Leather from selected premium leather suppliers.</p> <p>The frame is made of powder-coated steel—plastic glides.</p> <p>Oak veneer and Stained Dark Brown: slight color variations can occur due to the inherent characteristics of the material.</p>

Cleaning & Care

Clean with a moist cloth first and wipe off excess liquid with a dry cloth. The Loft Bar & Counter Stool without seat upholstery can be cleaned with alcohol disinfectant. However, please note that wooden products will get a patina where the surface color can slightly fade. If cleaning is uneven, this may become even more apparent, yet the lacquer will stay in place. For wooden products in lighter colors, the patina will be less noticeable.

Upholstered Seat versions:

Textile: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean, warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water. We highly recommend that you go to kvadrat.dk for further cleaning and maintenance instructions for your chosen textile, as the cleaning methods may vary from one textile to another.

Imitation Leather: Clean with lukewarm PH-neutral, soapy water and a soft cloth or soft brush. Do not use solvents or chemical cleaners, but cleaning can be done with alcohol-based cleaners. Finally, wipe with a damp cloth afterward.

Leather:

As a natural material, leather requires looking after. If you care for the leather in the right way, it will become even more beautiful over time.

Refine Leather, Easy Leather, and Endure Leather: Clean leather with a dry cloth regularly. Treat the leather at least four times a year using only special leather treatment products. Visit ca-mo.com for further information on cleaning leather.

Allure and Grace Leather: Only vacuum clean with a soft brush. Never use soap or water; otherwise, the velvety look and feel will disappear. Do not apply leather grease or soak the leather. Avoid chemical products, such as saddle soap, leather cleaners, or household products.

Spare Parts

Pre-mounted plastic glides included. Felt and plastic glides can be purchased separately.
